The initial ballots and non-binding polls for **CIP-002-6 - Cyber Security – BES Cyber System Categorization** and **CIP-003-8 - Cyber Security – Security Management Controls** are open through **8 p.m. Eastern, Tuesday, October 9, 2018.**

Balloting
Members of the ballot pools associated with this project can log in to the Standards Balloting and Commenting System (SBS) and submit their votes. If you experience difficulty navigating the SBS, contact Wendy Muller.

- *If you are having difficulty accessing the SBS due to a forgotten password, incorrect credential error messages, or system lock-out, contact NERC IT support directly at https://support.nerc.net/ (Monday – Friday, 8 a.m. - 5 p.m. Eastern).*

- *Passwords expire every **6 months** and must be reset.*

- *The SBS **is not** supported for use on mobile devices.*

- *Please be mindful of ballot and comment period closing dates. We ask to **allow at least 48 hours** for NERC support staff to assist with inquiries. Therefore, it is recommended that users try logging into their SBS accounts **prior to the last day** of a comment/ballot period.*

Next Steps
The ballot results will be announced and posted on the project page. The drafting team will review all responses received during the comment period and determine the next steps of the project.
