

Standards Announcement

Project 2019-04 Modifications to PRC-005-6

Supplemental Nomination Period Open through December 15, 2021

[Now Available](#)

Nominations are being sought for additional drafting team members through **8 p.m. Eastern, Wednesday, December 15, 2021.**

Use the [electronic form](#) to submit a nomination. Contact [Wendy Muller](#) regarding issues with the electronic form. An unofficial Word version of the nomination form is posted on the [Drafting Team Vacancies](#) page and the [project page](#).

By submitting a nomination form, you are indicating your willingness and agreement to actively participate in face-to-face meetings and conference calls.

The time commitment for this project is expected to be two face-to-face meetings per quarter (on average two full working days each meeting) with conference calls scheduled as needed to meet the agreed upon timeline the team sets forth. Team members may also have side projects, either individually or by sub-group, to present for discussion and review. Lastly, an important component of the drafting team effort is outreach. Members of the team will be expected to conduct industry outreach during the development process to support a successful ballot.

Previous drafting team experience is beneficial but not required. See the project page and nomination form for additional information.

Next Steps

The Standards Committee is expected to appoint members to the drafting team in January 2022. Nominees will be notified shortly after they have been appointed.
