

Standards Announcement

Project 2021-03 CIP-002

Formal Comment Period Open through May 16, 2024

[Now Available](#)

A formal comment period for **draft two of CIP-002-Y — Cyber Security - BES Cyber System Categorization**, is open through **8 p.m. Eastern, Thursday, May 16, 2024**.

The drafting team's considerations of the responses received from the previous comment period are reflected in this draft of the standard.

There are currently two drafting teams working on modifications to CIP-002-5.1a. The Project 2021-03 standard drafting team is posting modifications as CIP-002-Y to differentiate its work from Project 2016-02 Modifications to CIP Standards (CIP-002-7).

Commenting

Use the [Standards Balloting and Commenting System \(SBS\)](#) to submit comments. An unofficial Word version of the comment form is posted on the [project page](#).

Reminder Regarding Corporate RBB Memberships

Under the NERC Rules of Procedure, each entity and its affiliates is collectively permitted one voting membership per Registered Ballot Body Segment. Each entity that undergoes a change in corporate structure (such as a merger or acquisition) that results in the entity or affiliated entities having more than the one permitted representative in a particular Segment must withdraw the duplicate membership(s) prior to joining new ballot pools or voting on anything as part of an existing ballot pool. Contact ballotadmin@nerc.net to assist with the removal of any duplicate registrations.

- *Contact NERC IT support directly at <https://support.nerc.net/> (Monday – Friday, 8 a.m. - 5 p.m. Eastern) for problems regarding accessing the SBS due to a forgotten password, incorrect credential error messages, or system lock-out.*
- *Passwords expire every **6 months** and must be reset.*
- *The SBS is **not** supported for use on mobile devices.*
- *Please be mindful of ballot and comment period closing dates. We ask to **allow at least 48 hours** for NERC support staff to assist with inquiries. Therefore, it is recommended that users try logging into their SBS accounts **prior to the last day** of a comment/ballot period.*

Next Steps

Additional ballots for the standard and implementation plan, as well as a non-binding poll of the associated Violation Risk Factors and Violation Severity Levels will be conducted **May 7 – 16, 2024**.

For information on the Standards Development Process, refer to the [Standard Processes Manual](#).
