Regional Reliability Standards Announcement

TOP-007-WECC-1a

Comment Period Open through September 28, 2015

[Now Available](#)

The Western Electricity Coordinating Council (WECC) has requested NERC to post **TOP-007-WECC-1a (System Operating Limits)** for a 45-day comment period on the proposed retirements of Requirements R1, R2, and R2.1.

Commenting

Use the [electronic form](#) to submit comments. If you experience any difficulties in using the electronic form, contact [Wendy Muller](#). The form must be submitted by **8 p.m. Eastern, Monday, September 28, 2015**. An unofficial Word version of the comment form is posted on the [Regional Reliability Standards Under Development](#) page.

Regional Reliability Standards Development Process

Section 300 of [NERC's Rules of Procedures of the Electric Reliability Organization](#) governs the regional reliability standards development process.

For more information or assistance, contact Reliability Standards Analyst, [Mat Bunch](#) (via email) or at (404) 357-8540.
